

International Eurasia PHARMACY CONGRESS

<http://erpharmacy.erzincan.edu.tr/>

Dear Colleague,

It is our great pleasure to invite you to International Eurasia Pharmacy Congress. This event will be held from 3-7 September 2015 in Erzincan, Turkey which is located at the upper region of Fırat River in Eastern Anatolian Region and city is one of the oldest cultural centers of Anatolia.

The main aim of this congress is to contribute to the development of pharmaceutical sciences and applications and to bring together the members of the Pharmacy community, interdisciplinary researchers, educators, pharmacists and the employees of the pharmaceutical and cosmetics industry from all over the world. It will be a scientifically enriching and socially exciting event.

The topic of interest include, but are not limited to:

- Pharmaceutical Technology, - Pharmaceutical Toxicology, - Pharmaceutical Chemistry, - Pharmaceutical Botany, - Clinical Pharmacy, - Pharmacognosy, - Pharmacology, - Phytotherapy, - Analytical Chemistry & Biochemistry, - Pharmaceutical Microbiology, - Cosmetics, -Pharmacy Management.

We believe that our conference will be provided with cutting-edge scientific sessions, innovative topics, stimulating discussions, workshops, posters and many more topics in pharmaceutical sciences. In addition to the scientific program, there will be an enticing social program to make this congress a memorable event for every participant. It would be also an opportunity for establishing a new professional contacts with other scientists in different fields at different universities. The abstracts of accepted presentations will be published in conference abstract book.

Please visit the congress web page for more information
